SUBJECT: Confirmation of June 7, 2001, Senior Executive Committee Conference Call  
Decisions -- (EM-ER-01-098)

To the Senior Executive Committee:

During our conference call on June 7, 2001, the Senior Executive Committee (SEC) for the OU 7-10 schedule extension dispute agreed to extend the period for discussions at the SEC level through June 15, 2001. A team composed of Ann Williamson, Orville Green, Warren Bergholz and Susan Stiger will develop a working paper that will clearly state the areas of agreement between the Federal Facility Agreement and Consent Order parties. They will also provide a structure within which the flexibility of each party will be described. That working paper will form the basis for resolution of this dispute.

Sincerely,

A handwritten signature in black ink, reading "Beverly A. Cook". The signature is fluid and cursive, with the first name "Beverly" and last name "Cook" clearly distinguishable.
